

GEORGE JACKSON RACING

FOUNDING PARTNER GUIDE

Be Part of the Journey. From the Very Beginning.

Every successful racing driver has people who believed in them before the trophies, before the championships and before the headlines. Founding Partners are those businesses.

ABOUT FOUNDING PARTNERS

George Jackson is a 15-year-old aspiring racing driver from Broadstairs, Kent, preparing for his first full season in Junior Rallycross in 2027.

With ambitions to progress into adult motorsport in 2028 and beyond, George is building his racing career through hard work, determination and dedicated training.

We're inviting just 20 businesses to become Founding Partners, supporting George at the very beginning of his journey and earning a permanent place in his racing story.

WHY BECOME A FOUNDING PARTNER?

Be One of the Businesses That Believed First. Becoming a Founding Partner is about more than sponsorship. It's an opportunity to support a young local driver with big ambitions and become part of his journey from the very beginning.

As George progresses through motorsport, his Founding Partners will always be recognised as the businesses that helped him take those first steps.

CURRENT FOUNDING PARTNERS

Thanet & Kent Chiropractic became George Jackson Racing's very first Founding Partner, recognising George's potential and choosing to support his journey from the very beginning. Their commitment to health, performance and long-term development makes them a valued part of the team both on and off the track.

The Reading Doctors are supporting George while continuing their own mission of helping children discover confidence through reading. Together, we believe that every young person should be encouraged to reach their full potential.
